

This collection of Aetrex Athletic Walkers is designed to provide an equal distribution of pressure while maintaining the highest standards in comfort, breathability and overall support. The unique X last and multiple removable insoles enable the shoes to fit different foot types & make them ideal for those who wear orthotics. Offers innovative features that allow the footwear to be customized to your individual needs.

X last for motion control

A woman with her hair pulled back, wearing a black sleeveless athletic top, is crouching and smiling at the camera. She has her right hand resting on her chin. The background is a soft, gradient pink.

WALKERS

X last for superior motion control

2 removable layers provide fitting flexibility

Pressure relief layer for customized comfort

Full grain leather upper for comfort & breathability
